

TABLE III-19: Existing Lodging and Camping Capacity in the Yosemite Region (excluding National Park Service facilities)^a

| <i>COUNTY</i> | <i>LODGING CAPACITY (UNITS)^b</i> | <i>CAMPING CAPACITY (SITES)</i> | <i>TOTAL OVERNIGHT CAPACITY</i> |
|-----------------------------|---|-------------------------------------|-------------------------------------|
| Madera | 694 | 292 | 986 |
| Mariposa | 1,182 | 246 | 1,428 |
| Merced^c | 350+ | - | 350+ |
| Mono^d | 467 | 348+ | 815+ |
| Tuolumne^e | 118 | 502 | 620 |
| Total | 2,811+ | 1,388+ | 4,199+ |

^a Capacity estimates are for accommodations that are either adjoining Yosemite or on primary park access routes (and excluding Yosemite Valley lodging and camping sites).

^b A typical lodging unit can provide overnight accommodations for up to 4 adults.

^c Capacity estimate only represents locations identified during YARTS stakeholder interviews and sites adjacent to Highway 140 and 16th Street.

^d Lodging and camping at Mammoth Lakes was not included in this capacity estimate.

^e Estimate does not include lodging and camping facilities in Tuolumne's Gold Country region.
